

IEEE 9th International Conference on Information, Cybernetics, and Computational Social Systems

CALL FOR PAPERS:

IEEE 9th International Conference on
Information Cybernetics, and Computational
Social Systems

June 2-4, 2023

Nanjing University of Information Science &
Technology, Nanjing, China.

❖ Sponsors:

Nanjing University of Information Science & Technology, Nanjing, China
South China University of Technology, Guangzhou, Guangdong, China
National Natural Science Foundation of China (NSFC), China
IEEE Systems, Man and Cybernetics Society

The 9th International Conference on Information, Cybernetics, and Computational Social Systems provides an international forum that brings together those actively involved in computational social systems, cybernetics, and information processing, to report on up-to-the-minute innovations and developments, to summarize the state-of-the-art, and to exchange ideas and advances in all aspects of social systems, computation, cybernetics, and information processing. Contributions covering Theoretical developments and practical applications, including but not limited to the following technical areas, are invited:

❖ Topics:

- ◆ computational social systems
- ◆ social computing
- ◆ social networks analysis and web mining
- ◆ data mining and machine learning
- ◆ data analytics and data visualization
- ◆ Intelligent systems
- ◆ cybernetics and systems science
- ◆ collective intelligence
- ◆ computational intelligence
- ◆ position and location supported intelligence
- ◆ signal and image processing
- ◆ wavelets, multiresolution and information processing
- ◆ information security
- ◆ pattern recognition and computer vision
- ◆ Robotic Systems
- ◆ Service Systems and Organizations
- ◆ Smart Sensor Networks
- ◆ System Modeling & Control
- ◆ Technology Assessment

Accepted papers will be submitted for inclusion into IEEE Xplore subject to meeting IEEE Xplore's scope and quality requirements

❖ Committee:

Honorary General Chairs

Tianyou Chai, Northeastern University, China
Weihua Gui, Central South University, China
Jie Chen, Beijing Institute of Technology, China
Zhiqian Luo, The Chinese University of Hong Kong, China
Ke Liu, National Natural Science Foundation of China (NSFC), China
Guozheng Wu, National Natural Science Foundation of China (NSFC), China
Su Song, National Natural Science Foundation of China (NSFC), China
Imre J. Rudas, Óbuda University, Budapest
Ljiljana Trajkovic, Simon Fraser University, Canada

General Chair

C. L. Philip Chen, University of Macau, Macau
Yuewei Dai, Nanjing University of Information S & T, China

General Co-Chairs

Sam Kwong, City University of Hong Kong, China
Enrique Herrera Viedma, University of Granada, Spain
Bin Jiang, Nanjing University of Aeronautics and Astronautics, China
Shengyuan Xu, Nanjing University of Science & Technology, China
Renquan Lu, Guangdong University of Technology, China
Hui Yang, East China Jiaotong University, China
Gang Feng, City University of Hong Kong, China
Changyin Sun, Anhui University, China
Shihua Li, Southeast University, China

Program Chair

Hongye Su, Zhejiang University, China
Quanbo Ge, Nanjing University of Information S&T, China
Wei He, Beijing University of Science and Technology, China
Fang Deng, Beijing Institute of Technology, China
Program Co-Chairs
Saeid Nahavandi, Deakin University, Australia
Yang Shi, University of Victoria, Canada
Xiao He, Tsinghua University, China
Zhengguang Wu, Zhejiang University, China
Tong Zhang, South China University of Technology, China

❖ Important Dates:

Paper Submission Deadline

April 20, 2023

Notification of paper and session

May 1, 2023

Camera-ready Submission

May 10, 2023

Location:

The 9th International Conference on Information, Cybernetics, and Computational Social Systems will be held by Nanjing University of Information Science & Technology, Nanjing, China.
